

Muskoka, located about 2 hours (180 km) north of Toronto, is Ontario's premier "cottage country". Renowned for its Canadian Shield granite, thick forests, and 1,600+ freshwater lakes, the region boasts a massive seasonal influx of outdoor enthusiasts, cottagers, and tourists.

The district is anchored by several distinct communities: Gravenhurst, Bracebridge, Huntsville, Port Carling, Bala and many more smaller communities scattered throughout the district.
